

## **DOSS Business Systems Announces Acquisition of Assets and Customer Base of J-Tec Inc. CPE Division**

**GREENVILLE OHIO, May 16, 2005** – Doss Business Systems today announced the acquisition of assets and customer base of J-Tec Inc. Customer Premise Division. (CPE)

J-Tec Inc. is a privately held corporation founded in Greenville, Ohio in 1972. Since its inception, J-Tec Inc. has provided a broad range of construction and technical services to the telecommunications industry. Dan Cross, President of J-Tec Inc. says, "We believe this move is in the best interest of our client base and it will give our management team the ability to focus our efforts on our core telecom construction services". We are happy to be able to make this agreement with DOSS Business Systems, as they offer a great deal of technical expertise and capabilities and have an excellent reputation for customer service. We believe this is a win-win situation for everyone including our customers" adds Mr. Carl Meinerding, Vice President of J-Tec Inc.

J-Tec Inc. Customer Premise Division customer base includes K-12 Educational, local and state government, universities and a wide variety of commercial accounts.

Commenting on the acquisition, Paul Doss, President of DOSS Business Systems stated, "We are very excited to be acquiring the assets and customer base of the CPE Division. J-Tec Inc. has a long and excellent reputation for providing high quality voice services to a wide variety of clients." Mr. Doss added, "With our extensive voice and data experience and a strong technical support staff, we are ideally positioned to enhance the overall technical support capabilities of the combined organization."

DOSS Business Systems has been designing, building and maintaining advanced voice and data infrastructure systems since 1989.
